The Family Fund has a 12-month policy and applicants must submit if they'd received a grant in the past. A calendar will appear to select the date of when they received funding last.

Applicants must select what type of financial help they need and the application will adjust to request specific documentation needed. Specific documentation will be prompted below. Applicants should submit in the text box on what they need help with and why they are needing assistance.

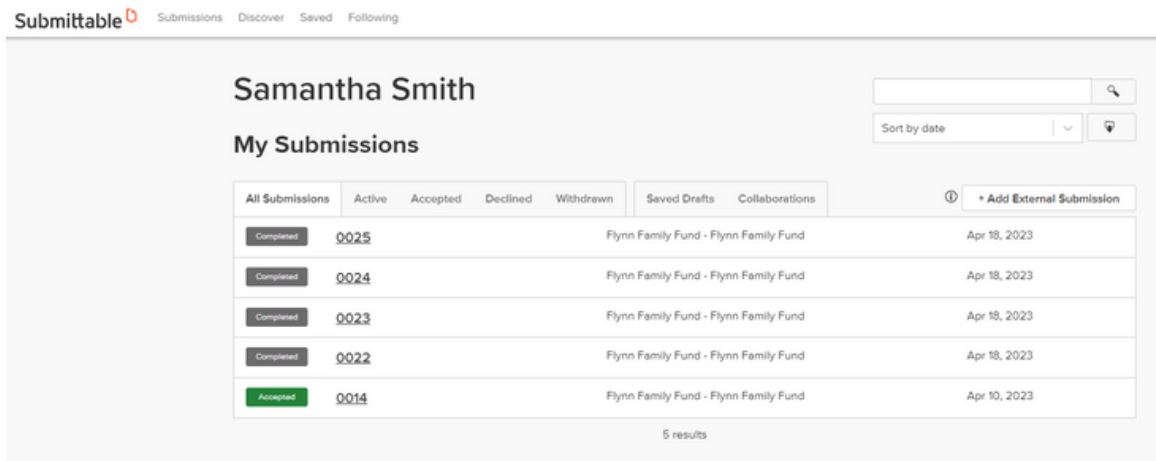

After submitting, the applicant will be contacted directly through Submittable. The applicant can check on the applicant status through their login at any time.

To find this information, they're going to want to log into their account via <https://flynnrestaurantgroup.submittable.com/login>

Once logged in, they can go to the "My Submissions" Tab

Once there, the applicant will be able to see the status of all their submissions and drafts.
